

## Camp Champion Registration Now Open!

**Thank you** for your patience as I worked out some important information about Camp Champion 2024. Please read through this and the webpage carefully!

1. Please register **no more than 8** per chapter in the registration system. I realize that the website initially stated 12 per chapter. To ensure that camp numbers stay within limits, we will start with 8 per chapter and if we can add more, we will.
2. Please use this **Wait List** form to add any additional names you would like to attend Camp also. Depending on registration numbers on or before October 23, we will try to accommodate.

### **Camp Wait List**

3. **CRITICAL and NEW INFORMATION: We will need to provide 35 volunteer kitchen staff workers this year. This is mandatory and without these volunteers, we will not be able to have Camp Champion. Please talk to students who would like to come up to Williams, but understand that kitchen volunteers will NOT have a camp experience. IF there is time in the evenings, they will be asked to participate in activities, but their job is to work in the kitchen. Notice that the drop down menu in the registration site has a "Kitchen Staff Worker" option. There is NO COST for these wonderful students who will work in our camp kitchen. If we do not have the required amount of volunteer workers for our kitchen, we will not be able to have camp. I know our SkillsUSA team will step up and make this happen!**
4. The Camp Booklet and Pre-Work assignments are in final review and will be posted to the website very soon. You'll get an email when it happens.

**IONITE**  
**YOUR POTENTIAL**  
2024 - 2025
